7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

Annual gender sensitization action plan

At our college, we prioritize equal treatment and consideration for all genders, with a particular focus on addressing the challenges faced by women. The educational committee facilitates a range of initiatives, including seminars and legal guidance, to foster gender equality and awareness. Additionally, resources such as the anti-ragging cell and women empowerment cell are available to support both male and female students. This year, we have organized four distinct activities.

- 1) Meeting to aware about the rules and regulation of the institute, anti ragging rules, and to increase awareness about flaws of ragging and code of the conduct on 16 Sept.-2023
- 2) One day Self defense training programme on 07 Feb-2024
- 3) One day training programme on Self defense at 12 Feb-2024
- 4) Free health check camp on Mangalwedha Mohstav

Each year, a strategic plan is developed to implement these initiatives, with committees providing regular updates to students to enhance awareness. Campus safety measures for women include CCTV surveillance. This year, one health camps were organized for students, including a free eye check-up camp from October 01, 2024. Furthermore, a dedicated committee is in place to address any grievances or concerns that women may have, and a complaint box is accessible for students to report other issues. Additionally, a separate reading room is designated for female students to facilitate their academic focus.
